**Tell us a fun fact about you:**

I enjoy listening to all genres of music and playing them for people during karaoke.

**Why did you join the military?**

I grew up near Fort Bragg, NC and my dad was a member of the Special Forces which inspired me to join.

**What is the greatest single lesson you learned from your Military Service?**

Establishing a broad diversity of networking opportunities and seeking help from others if needed.

**Why did you apply for the Veterans Accelerated Management Program?**

I feel this program will help me establish more of a keen sense of business principles and enhance the success of starting my own company.

**What do you hope to accomplish in the next chapter of your life, both professionally and personally?**

Pursue a passion of starting and succeeding in entrepreneurship and establishing residual wealth for my family.

**What would you tell today's American public about our nation's Veterans transitioning out of the military?**

Most Veterans transitioning out of the military today have the soft skills most companies are looking for but are not afforded the opportunity to show cast those skills within those companies. Transitioning Veterans once giving the chance make an impactful impression on employees and leadership within any organization.
