<p>Tell us a fun fact about you:</p>	<p>I was stationed atFort Drum, the home of 10th MTN Division, where there is no mountain but there are lots of snow in the winter.</p>
<p>Why did you join the military?</p>	<p>When the 9/11 occurred, I was a mile away from the area and witnessed the chaos. Since then, I thought about joining and joined the US Army in 2008.</p>
<p>What is the greatest single lesson you learned from your Military Service?</p>	<p>How to work with people that you don’t like or have problem.</p>
<p>Why did you apply for the Veterans Accelerated</p>	<p>I wanted to have a deeper understanding on consulting business using the VAMP program and niche networking.</p>
<p>What do you hope to accomplish in the next chapter of your life, both professionally and personally?</p>	<p>Reliable consulting or contracting job at the executive level with a six-figure salary.</p>
<p>What would you tell today’s American public about our nation’s Veterans transitioning out of the military?</p>	<p>Civilians need a veteran 101 class to learn about transitioning veterans. I want to ensure them that veterans come with set of transferable skills. Help veterans before it is too late. “Be Proactive, Not Reactive.”</p>
